Hello everyone!

Ski season is upon us and once again I am running my little Rockaway Ski Club. Attached is the price grid for groups at Mountain Creek that I received from my group advisor. Please feel free to share this price grid with whomever you please. This club is by no means private. As most of you know, it's simply a way to ski inexpensively through the utilization of group rates.

If you or anyone you know is interested in purchasing any group discount product listed on the attached page please contact me as soon as possible. I need your forms filled out and payment received by November 20, 2006. The best way to communicate with me is via the email address I have listed above. Feel free to be flattered that I created this new email address just for the Rockaway Ski Club! It differs from my personal email by three letters: ski.

Thanks and think snow!

Love,

Maryanne
