Mountains rule in Chamonix, where some of the world's best expert skiing can be found on the jagged peaks and glaciers that rise 12,500 feet above the valley. A proving ground for alpinists, mountaineers and skiers from all over the world, Chamonix has more of an authentic alpine flair than resort glitz and glamour.

Hotel:

Hotel Croix-Blanche * The BEST MONT BLANC Group.**

The Croix-Blanche, founded in 1793, is part of the institution in Chamonix. Opening out onto the pedestrian precinct and the garden, the charm and the conviviality of the place will seduce all those looking for authenticity.

More than simply a hotel or a brasserie, you will discover an unforgettable atmosphere, a quality service and discreet entertainment, particularly during the après-ski, accompanied by tasty traditional Savoyard cuisine. All year round at 'L'M' visitors gather to admire Mont-Blanc from the comfort of the terrace

We are staying at the Croix-Blanche but we can eat any of their 3 hotels.
