Ski & Snowboard Skills Tune Up Day December 10th, 2011

The New Jersey Ski Council will hold its annual ski & snowboard skills tune up on Saturday, December 10th, at **Ski Windham**. Only Ski Club members and their immediate families are invited to attend. The fee of **\$55** for an adult with their own equipment includes lift ticket and all day group lessons. This is a great opportunity to have fun and get a good start on the new season.

Participants must provide the club member organizing this event with their ski ability: e.g. normally skis **Green Circle, Blue Square, Black Diamond** or **Never ever skied**. **This is to be indicated on the ski club participant's summary sheet.** This is an early season event and it is possible not all runs will be open, depending on the weather. Refunds will be made in the event that Windham Ski Mountain does NOT open.

The focus of this day is an instruction program for adults. All tickets and lessons will receive a NJSC group discount. The classes will start at 9:15AM and have the same instructor all day. Participants must be 16 years or older to join the NJSC group classes. *Lessons, tickets and rental equipment for children under 16 are the responsibility of the individual member or parent.*

Price schedule 2011

Program	Price with no ski Equipment rental	Price with Ski or Snowboard & Helmet Equipment Rental*
Adult	\$55	\$85
Adult beginner/Lesson-Lower Mtn,*	\$45	\$55

***Note:** We assume that people who are Beginners and renting equipment, have little or no previous ski experience and are given a lower mountain lift ticket. This means that the skier/snowboarder can only use the lower mountain lifts. If the instructor determines the class should use an upper level lift for part of the lesson, then the student in the class will be allowed to stay with the class and use that lift. Every effort will be made to put the beginner into a Private Group Class, unless there are not enough participants. In that case, the beginner will be placed in the general Windham Mountain Group Class
